PAULA HARRISS

ERIC VICKERY

**LIVE INTERACTION
WITH OTHER TEAMS**

RECORDED

Are you wondering, “*Why should we join?*” Great question!

Have you thought about throwing in the towel? Reaching burn-out?

Have you lost focus, a sense of purpose and vision? Feeling alone?

Is the team complaining or withholding while the doctor is stressed?

When was the last time your team felt appreciated?

Do you know if treatment plans are really closed?

Are your systems clear and effective for treatment plan follow up?

Do you know how to keep a the schedule full and productive?

Are cancellations on the rise? Is your protocol effective?

Are you a bank? Do your patients owe you money?

Tired of insurance plans but afraid to drop them?

What is your marketing plan? Do you have a marketing budget?

Let's Discover Together:

- Refocus your purpose and vision with an easy four step discussion
- In House Dental Savings plan to increase loyalty & new patients
- Key Performance Indicators and what they mean
- Develop the HIGH PERFORMANCE team
- Stop the drama and have effective conversations!
- New Patient Friction causes and solutions
- Case Presentation Formula
- Transfer from patient to team members
- Verbal skills from phone call, exam, to scheduling
- Financial Arrangements for PREVENTING over 90 day accounts
- Explore Cancellations in three main categories
- Expert Marketing Strategies to bring in quality new patients
- Mastermind best practices with other teams. You are not alone!
